

SUPPORT SERVICES

Lung Cancer Information Line. A support, information, and referral line for lung cancer patients, survivors, and their family and friends. Free educational materials available upon request. **800-298-2436.**

LCA Website. A credible source for information about lung cancer symptoms, early disease management, treatments, living with the disease, lung cancer related news and advocacy issues. Includes *Faces of Lung Cancer*, *Stories of Hope* and *Early Interventions Resource Center*. **www.lungcanceralliance.org.**

LCA Survivors Community. An online support community for lung cancer patients, survivors, and their family and friends. Members may participate in discussions, post personal profiles, and build a network of online friends. **<http://lungcanceralliance.inspire.com>.**

Phone Buddy Program. A peer-to-peer telephone support network for people with lung cancer and their family members/caregivers. Volunteers lend support and share information and resources. **800-298-2436.**

Clinical Trial Matching Service. A pre-screening and referral service that identifies trial options. Clinical trial specialists find available trials based on the patient's diagnosis and treatment history. **800-698-0931.**

LCA Times Newsletter. A publication containing topics of interest to lung cancer patients, survivors, and their family and friends, healthcare professionals, and advocates.

November is Lung Cancer Awareness Month (LCAM). A local and national awareness initiative to change the face of lung cancer and to reduce the stigma associated with the disease.

**LUNG
CANCER
ALLIANCE**

Lung Cancer Alliance—the only national non-profit organization dedicated exclusively to information, support and advocacy for people living with or at risk for lung cancer—is committed to leading the movement to reverse decades of stigma and neglect by empowering those with or at risk for the disease, elevating awareness, and changing health policy.
